Objective

Aspiring Computer Science student with a passion for programming and web development, seeking opportunities to apply technical skills, collaborate on innovative projects, and contribute to the dynamic field of technology.

Education

Bachelor of Technology in Computer Science (Ongoing)

- Batch of 2026
- **CGPA:** 9.34 (Fourth Semester)

Jayshree Periwal High School, Jaipur

- Graduated in 2021

Technical Skills

Programming Languages:

- **Proficient :** JavaScript (Node.js), Rust
- **Basic :** Python, C, C++, Java

Web Development:

- **Frontend:** HTML, CSS, JavaScript
- **Frameworks:** Tailwind CSS, Bootstrap, Svelte
- **Backend:** Express.js for web server development, MongoDB for database management

Learning:

- Rust programming language with focus on efficient memory management, web server development, and database management
- Exploring frontend frameworks for desktop and web applications

Data Structures and Algorithms:

- Solid understanding of data structures (Array, Linked List, Binary Tree, Hashmaps)
- Knowledge of sorting and searching algorithms
- Currently learning design and analysis of algorithms (Time complexity, algorithm building)

Certifications

- Entrepreneurship NPTEL Topper Certificate - 2023

Soft Skills

- Interpersonal & Communication
- Project Planning & Time Management
- Data Analysis & Problem-Solving
- Flexible & Detail-Oriented
- Teamwork & Organizational Skills

Experience**Hackathons:**

- Participated in two college-level hackathons, qualifying for the second round in each.

Club Collaborations:

- Collaborated with seniors from technical clubs like IEEE and IET for hands-on experience and knowledge in coding languages.

Language

- Hindi (Native)
- English (Fluent)

Interests

- Go karting
- Watching sports
- Cooking
- Bowling
